<i>Spring</i>					EESL 697 Practicum* COMPS	

* The EESL 697 Practicum is done over a minimum of two semesters. Students enroll in their first semester of EESL 697 (for an initial 3 credit hours) in summer, which is when they begin their practicum. They again enroll in EESL 697 (for an additional 3 hours) during the following Spring semester, which is when they will be finishing their practicum.
