Achievement®

**We are the  
passionate  
people behind  
a movement  
that seeks to  
educate and  
inspire young  
people to  
succeed in a  
global  
economy.**

***JA Worldwide annually reaches approximately 7.5 million students worldwide. Through age-appropriate curricula, JA programs begin at the elementary school level, teaching children how they can impact the world around them as individuals, workers and consumers. JA programs continue through the middle grades and high school, focusing on the key content areas of entrepreneurship, work readiness, and financial literacy.***

***We do all this with the help of our volunteers. Volunteers who so care about our youth they take time out of their day to make a difference.***
